The following terms will be required for final approval

- Owner must provide Architectural Committee with a copy of building permit with City of Yorba Linda for installation of windows and slider. Later, immediately upon completion of installation, copy of *signed off* building permit must be provided to Architectural Committee.
Note: For each room that could be used as a bedroom the City of Yorba Linda requires at least one window with an opening of 20 inches or more for safe egress in case of an emergency, plus a smoke detector.
- Current and future owners of this unit are responsible for the integrity of the water seal of these windows and slider.
- Owners are responsible for any damage resulting from the installation of these windows and slider, including future water damage.
- Vendor is to stay off the unit roof unless absolutely necessary to complete the window installation. If this should become necessary, it is mandatory that you contact the Association liaison at (714) 779-2084 to arrange for the vendor to borrow the special platforms for walking on the roof tiles safely and owner provides to RDTA check for \$100 roof inspection fee. Owner is responsible to pay for any damage to roof by installation of windows.
- Posting of vendor commercial signs is prohibited.
